

Epson PowerLite® 1700c

Incredible clarity. Exceptional definition. Amazing detail.

Make powerful presentations in virtually any meeting room with the Epson® PowerLite 1700c multimedia projector. With 2200 lumens at just 3.5 lb, this compact ultraportable offers the perfect solution for almost any setting.

Whatever the situation, the Epson PowerLite 1700c is always ready to perform. And, when there's a break in the action, its AV Mute Slide covers the lens, mutes the audio and powers down the lamp, all with the flick of a finger. And, when you're ready to present, you're sure to get remarkable color and detail.

For brilliant results wherever the presentation takes you, choose the Epson PowerLite 1700c, a versatile performer that's sure to impress.

2200 lumens—Ultra bright, and under 4 lb!

- A lightweight, travel-friendly projector that doesn't sacrifice brightness
