

Epson PowerLite® 1710c

Incredible clarity. Exceptional definition. Amazing detail.

Make powerful presentations in any meeting room with the ultra bright, ultra light Epson® PowerLite 1710c. With 2700 lumens at just 3.5 lb, this compact ultraportable offers the perfect solution for almost any setting, including a variety of ambient light conditions.

Whatever the solution, the Epson PowerLite 1710c is always ready to perform. And, when there's a break in the action, its A/V Mute Slide covers the lens, mutes the audio and powers down the lamp, all with the flick of a finger. When you're ready to present again, you're sure to get remarkable color and detail.

For brilliant performance wherever the presentation takes you, choose the Epson PowerLite 1710c.
